# Light up a life

At Rossendale Hospice our dedicated and experienced team offer help, information and support to those within the Valley suffering from a life-limiting illness, both at the Hospice and in the patient's own home. Although the majority of our patients do have cancer, we also provide care for those with other life-limiting illnesses, including heart disease, Multiple Sclerosis and Motor Neurone Disease.

Our annual running costs are in excess of half a million pounds, and we need and greatly appreciate the support of our local people, organisations and businesses.

 FUNERAL SERVICE

# Christmas is a time when many of us like to celebrate the lives of loved ones.

Rossendale Hospice 'Light up a Life' appeal allows you to celebrate the lives of special people. You can remember the life you shared, the privilege of knowing that person and the wonderful memories you hold dear...

Please make a donation to Rossendale Hospice and we will send you a card to mark your personal dedication. You may then wish to send the card to a loved one or keep it yourself.

Our 'Light up a Life' appeal is unique, not only may you feel comforted by remembering a loved one, but your donation also allows Rossendale Hospice to continue its vital service of caring for patients and their families with a life limiting illness.

We are holding a special candlelit service at St Nicholas Church, Newchurch Road, Waterfoot, BB4 9HH on Tuesday 18th December 2012 at 7pm.

The non-denominational service will be accompanied by joyful Christmas carols and there will be time for reflection when you will see your dedication on a screen. We do hope you are able to join us.

Simply complete and detach the dedication form with your donation (minimum donation of £5 per name) and return to us before Friday 7th December 2011, addressing your envelope:

'Light up a Life' Appeal, Rossendale Hospice, New Cribden House, Rossendale Primary Health Care Centre, 161 Bacup Road, Rawtenstall BB4 7PL.
